

DISCLAIMER FORM

ESF Events ensures that all their staff are DBS checked and safe to work with children and young people, in line with Government guidelines and the appropriate national sport governing body guidelines, which seek to protect children in England, Scotland and Wales.

Pastoral care and the medical needs of the children are solely the duty of care of the teams/clubs attending the events. All participating teams are expected to know their responsibility in terms of (i) gaining permission from parents/carers, (ii) explain to parents/carers how the data they gather will be managed (iii) have emergency parental information, and medical information of all their teams participants on order for these to be managed appropriately.

ESF Events cannot be held responsible for the conduct, behaviour and actions of any teams or individuals attending the events.
